Dennemere Primary School, Blackheath, Western Cape 18 September 2015

On Friday 18th September 2015, Breadline Africa handed over a double container kitchen to the Dennemere Primary School which was funded by UK and Irish donors and the cyclists who took part in the Cape Town Cycle Race on the 8th March 2015.

Dennemere Primary School is situated in Blackheath on the Cape Flats and has 1,200 children who come from the surrounding disadvantaged areas, such as Khayelitsha, Mfuleni, Blue Downs and Happy Valley.

The school currently serves two meals per day to more than 200 hundred children who come to school hungry. For many of these learners it is the only meal that they have in a day. The educators know how difficult it is to teach a hungry child.

Wendy Leukes, the Principal said that the school had been in dire need for a hygienic kitchen as the room where the cooks worked from was extremely small and difficult to serve food from.

Tim Smith, director of Breadline Africa wished the educators and the children well in their endeavours to ensure that the children have a healthy meal to start their day. He said that together with all the supporters of Breadline Africa, he was proud to hand over the beautiful container kitchen to the school.

Charles Uys, Chairperson of the school governing body, was extremely grateful for the donation and thanked Breadline Africa and all their supporters as well as the cyclists of the 2015 Cape Town Cycle Tour. He said that the beautiful kitchen gladdens his heart as they know that many of the children come to school hungry. The nutritious meals from the new kitchen will enable the children to learn well and to complete their education.
